\$100 Rebate for an EV Ready New Construction Home
LEADING THE CHARGE WITH CO-OP POWER

Electric vehicles (EVs) provide environmental advantages. Tax credits, along with lower operating costs and special rates provided by Sioux Valley Energy, make owning one a great choice for our members. Charge up with clean, American made electricity. Making a new construction home wired to be EV ready for a future installation of a level 2 charger helps the member easily convert to EV technologies.

- Receive a \$100 rebate to help cover the costs of wiring a circuit for a future Level 2 EV home charger.
Circuit must be a minimum of 40 amp to qualify.
SVE reserves the right to verify wiring installation.

How to Apply for Rebate

- Fill this form out completely. Incomplete forms will not be processed.
SVE reserves the right to verify wiring installation.
Submit the completed rebate form by December 31, 2020.
Each account is eligible for one rebate.
Mail to Sioux Valley Energy, PO Box 216, Colman SD 57017 or for your convenience email sheila.gross@siouxvalleyenergy.com or fax to 605-256-1693.
Allow up to 6 weeks for your rebate check to be issued.
Rebate dollars under the Sioux Valley Energy rebate program are limited and offered on a first come, first served basis and are subject to the project and member eligibility. Rebate program is subject to change or cancellation without notice. SVE is an equal opportunity provider and employer.

For Office Use Only

Sioux Valley Energy is an equal opportunity provider and employer.
