# **RENEWABLE ENERGY CREDIT (REC) PROGRAM**

## **CHOOSE RENEWABLE ENERGY**

*Sign up for Sioux Valley Energy's REC program and power your home or business on renewable energy.*

Sioux Valley Energy has Renewable Energy Credits (RECs) available for purchase to offset your current usage with 25%, 50%, 75% and 100% renewable energy options.

The electricity you receive will still be the same reliable, affordable energy you have always received from Sioux Valley Energy but, by participating in this program, you will be supporting current and future renewable projects. By purchasing RECs, your business could add value to your products or services, promote future regional renewable projects and showcase your support for renewable energy sources.

Sioux Valley Energy is an equal opportunity provider & employer.

## **SHOWCASE YOUR SUPPORT FOR RENEWABLE ENERGY**

# FAQS

## **What is a Renewable Energy Credit (REC)?**

- 1 MWh (megawatt hour) produced by a renewable energy source equals 1 REC
- RECs are also called Green Tags
- RECs represent the valuable renewable attributes of wind energy

## **How much does it cost?**

\$1 per MWh.

Example: If you use 1200 kWh per month, participating in the REC program would add \$1.20 + tax to your monthly bill.

## **Do I need to purchase any special equipment?**

No. Sioux Valley Energy will continue to fulfill all your electric needs and you can enjoy the benefits of renewable energy.

## **What are my payment options?**

You will be billed monthly based on the kWhs used. The additional charge will appear on your normal monthly electric statement.

## **Where do the RECs come from?**

The RECs come from several wind farms in the region that supply renewable energy to Sioux Valley Energy. These include, but are not limited to:

- North Dakota: PrairieWinds 1, Wilton 1 & 2, Baldwin Wind Project and Minot Wind Project
- South Dakota: Crow Lake Wind, the Chamberlain turbines, Day County Wind Farm and South Dakota Wind Project

## **What if I move?**

This program is available only to members of Sioux Valley Energy. If you move outside of SVE's service territory, you will no longer be a member or eligible for this service.

## **SIoux VALLEY ENERGY RENEWABLE ENERGY CREDIT CERTIFICATE PURCHASE**

\_\_\_\_\_  
(name of customer) hereby requests qualification of the following purchase for the Renewable Energy Credit Rate in effect on the date of qualification and agrees to each of the conditions in the Rate:

Name of Owner and Address of the Renewable Energy Credit Purchaser:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Participation Level Selection:

- 100% Participation = \$0.0010 per kWh used
- 75% Participation = \$0.00075 per kWh used
- 50% Participation = \$0.0005 per kWh used
- 25% Participation = \$0.00025 per kWh used

Beginning Date: \_\_\_\_\_

The purchase of RECs will be added to your total kWh monthly usage for a period of one year. This agreement will continue after the first year until Sioux Valley Energy is notified of cancellation.

Rate is subject to change on an annual basis based on market conditions.
